CLINICAL STUDENT SCHOLARSHIP PROGRAM

General support scholarships for varying amounts up to $1,500 per semester.
Requires commitment to work at St. Luke’s Magic Valley Medical Center.

May be renewable up to three additional semesters if recipient meets established criteria each semester.
Limited to a maximum of four Clinical Student Scholarships total.

GUIDELINES FOR SPRING 2011 SCHOLARSHIP:

1. Open to non-licensed students who have been accepted by an accredited Associate or Bachelor Degree program, limited to Registered Nursing, Respiratory Therapy and Radiologic Technology.

2. Documented collegiate academic excellence (accumulative GPA of 3.0 or higher) required, including copies of most recent transcripts.

3. Re-application required for each semester, including items listed above. An abbreviated application form is required for those students who received a scholarship last semester.

4. Minimum of three clinical professional or clinical academic references (excluding family and friends) required for all non-renewing applicants.

5. Only fully completed applications from new (non-renewing) scholarship applicants by deadline date will be considered. Renewing applicants must submit application’s Section A and most recent transcripts by deadline date to be eligible.

7. Previous health care experience and community service considered.

8. Financial need considered.

9. Priority may be given to the clinical area that has the greatest need as determined by the St. Luke’s Magic Valley Human Resources Director.

Note to St. Luke’s employees: Other programs such as Physical Therapy, Dietetics, Pharmacy, Medical Technology, Histotechnology, Cytotechnology, BSN, or Masters Degree programs may be eligible for a Loan Repayment Program or Tuition Reimbursement Program by contacting the St. Luke’s Magic Valley Human Resources Department directly.

10. Successful applicants will be required to sign an employment commitment of 2,080 hours (one year at full-time) of employment for an initial scholarship and 1,040 hours (six months at full-time) for each additional scholarship at St. Luke’s Magic Valley provided that a position exists for which they are qualified. Non-fulfillment of the obligation, including failure to earn the applicant’s stated clinical degree, will require repayment of scholarship funds. This amount may be prorated based on hours worked towards the employment commitment to the Medical Center. It is an expectation that applicants for this scholarship will not enter into concurrent agreements with other agencies requiring the same or similar post graduation work commitments.

11. Applications for the 2011 Spring semester will only be accepted through January 21, 2011. The Scholarship Review Committee reserves the right to require personal interviews for initial or subsequent applications. Interviews for selected applicants will be held after January 21, if required. All applicants will be notified by January 31, 2011 of their status.

For additional information or application form, please contact the Foundation at 737-2480.
